

“DOG REGISTRATION and POUND FEES” 2017/2018

A **standard dog** is one which is **BOTH** de-sexed and micro-chipped, all others are **non-standard dogs**

Working (livestock) Dogs are in **2** categories, micro-chipped and not micro-chipped. To qualify for micro-chipped rebate the information must be current.

From **1st July 2018**, all dogs must be **micro-chipped and de-sexed**, unless they are exempt by reason of medical issue, legislation or registered breeder.
