**LOCALS CAPTURE THE GOYDER REGION**

The Regional Council of Goyder has held the third successful year of the community photography competition "Capturing Goyder through a Local's Lens" to assist in the creation of the 2020/21 Community Calendar. The competition encouraged local residents to submit images that capture the essence of living, or visiting, the Goyder region. Whilst in the middle of COVID-19 pandemic, the Goyder community got really behind the competition, using the extra time they had at home to take photos within their towns or surrounding areas. This resulted in an overwhelming number of entries being submitted into the competition showcasing all that the Goyder region has to offer. Thank you to all our community judges for their enthusiastic involvement within the competition. The quality and diversity of the entries made it a very difficult process for all the judges in determining the thirteen photos to be included in the calendar. Congratulations to the following entrants who will be receiving gift vouchers from a Goyder business of their choice:
