Burra Barrow Push Postponed

The Burra Barrow Push, which was scheduled for the October Long Weekend, will not proceed in 2023, but will return!

Due to circumstances beyond the control of the organizing committee, the difficult but necessary decision has been made to postpone the return of the Burra Barrow Push until 2024.

Plans are **already** underway to finalise and formalize not only a new date but potentially a new route, as well. This could see the event return in even bigger spectacular fashion!

So, if you're a solo running enthusiast, want to team up with a friend (or two) or have a team of 6 – 8 in mind, make sure you register your interest and we will keep you updated.

Registrations of interest can be sent to Regional Council of Goyder via email council@goyder.sa.gov.au

We look forward to pushing ahead in 2024!
