31 July 2023

'Burra Barrow Push' barrels ahead!

Registrations for the 2023 Burra Barrow Push are now open!

In 1942, General Douglas MacArthur, while in Terowie, declared, "I came out of Bataan, and I shall return!" Now, in 2023, Terowie will bear witness to *another* promised return – **THE BURRA BARROW PUSH!**

In 1983, to commemorate the Centenary of the founding of Broken Hill, the Councils of Broken Hill and Burra decided to host an historic race event – ***The Burra to Broken Hill Centenary Barrow Push***.

Earlier this year, the Regional Council of Goyder – in partnership with AGL – revealed that plans were underway to revive the event in 2023.

We are excited to advise that an event date has been set – Sunday, October 1st, 2023 – and we are seeking expressions of interest from participants who'd like to take up the challenge.

The wheelbarrows are ready and raring to go, all they need is a 'push' in the right direction.

The route will take entrants and their wheelbarrows from Terowie's Main Street to Burra's Market Square, around 64kms. We are looking for solos, pairs, or teams of 6 participants to take up the challenge.

We want you to submit your individual or team name, those of your team members and for a small participation fee, you can be part of history repeating!

The website and registration system are now live! So, if you are interested, head to www.burrabarrowpush.com.au to register.
