The Regional Council of Goyder is committed to open, accountable and responsive decision making, which is informed by effective communication and consultation between the council and the community.

In carrying out its consultation process, the council applies the following principles:

- Community interest will vary depending on the issue and the number of people affected, and council's level of consultation will reflect this
- Community involvement in council decision making should result in greater confidence in the council and responsive decision making
- Council decision making will be open, transparent and accountable

1. DEFINITIONS

For the purposes of these alterations **the Council** includes an officer or employee of the Council acting within the scope of that person's ordinary functions and duties except in circumstances where these alterations expressly require a matter to be considered at a meeting of the Council.

2. POLICY OBJECTIVE

The purpose of this policy is to ensure that council meets its legislative obligations in regard to public consultation by:

- Using appropriate and cost effective methods which are relevant to the specific circumstances of each consultation topic

REGIONAL COUNCIL OF GOYDER PUBLIC CONSULTATION POLICY V3.2

The preparation and adoption of this policy fulfils the council's obligations under section 50(1) of the Local Government Act 1999. Section 50 provides that:

- The council must set out the steps that the council will follow in cases where the Local Government Act requires consultation on a matter, and
- The council may set out the steps that council will follow in other cases involving the council's decision-making

In addition, under the Local Government Act the council has the following obligations where it is required by law to follow its public consultation policy.

- Council must provide interested persons with a reasonable opportunity to make submissions regarding relevant matters
- Council must publish a notice in a newspaper circulating in the area and on the council's website, describing the matter under consideration and invite interested persons to make submissions within a period (which must be at least 21 days) stated in the notice
- Council must consider any submission received from the public during the prescribed consultation period.

Council may, from time to time, alter this policy or substitute a new policy. In the instance that any significant changes are being proposed to the public, the council must submit the proposal to a public consultation process.

Other sections of the Local Government Act also refer to consultation requirements, and in some instances set out what a Council must do. See specified consultation requirements below.
